

Western Route Highground Bicycle Tour

The Highground is a 146-acre manned veterans memorial park that pays tribute to the dead, and honors the survivors, their service, and their sacrifices. Our mission of healing and education is fulfilled with the generous efforts of volunteers and contributors. Each year six fundraising bicycle routes converge on The Highground in August in support of our mission.

On the Western Route, one will enjoy a 163 mile family friendly ride. The route mostly follows lightly traveled county roads and established bicycle trails. When on state roads, a large shoulder is available for safe riding. Riders enjoy plenty of rest stops as well as large evening and breakfast meals at over night locations. Showers are available and riders can set up a tent if they prefer. Support staff is available to ensure the riders are having a safe and enjoyable ride.
