

Korean Tribute Stones

Korean Tribute at The Highground.

We, 22 Korean Veterans, have chosen to place a tribute to the veterans of Korea at The Highground Veterans Memorial Park. The tribute was dedicated on Saturday July 28, 2007. We chose The Highground because they are dedicated to their mission of healing, education, and remembering our veterans, their families, and friends. One of the ways The Highground furthers its mission is through our stone programs. Stones and their accompanying Registries are used to preserve and honor the memories of our veterans, their families, and friends.

Korean Tribute Stones stand apart from Legacy and Meditation Stones in two ways. They are a polished black granite stone, 10" x 12" x 1.25", with white lettering allowing for 3 lines of 20 spaces each. Korean Tribute Stones are placed vertically on the face of two rows of rice paddies as part of the Korean Tribute. The number available is limited by the area of the rice paddies, approximately 180 total. There are only 14 remaining after 2010's ceremony.

Donations for the Korean Tribute Stones will be used to provide future upkeep. These stones will be placed once each year. The next placement is Saturday June 11, 2011 at 9:30 am. You are invited to be a part of the ceremony.

Korean Tribute Stones on The Highground are a tax-deductible donation of \$575.
